WORK EXPERIENCE

KODE CAMP   Remote
Web Developer Intern   Jul 2021 – Present
KodeCamp, a subsidiary of KodeHauz, is a training program focused on teaching software engineering skills to interested parties.

- Participated in necessary training exercises needed to improve my knowledge of front end web development practices.
- Developed various websites and applications using HTML, CSS, JavaScript, Bootstrap and React.
- Collaborated with a team of other front end web developers to build a learning management system for a software engineering training program.

FEMCODE AFRICA   Remote
Graphics Design Intern   May 2020 – May 2021
FemCode Africa is an organization whose mission is to train ladies in technology through bootcamps, meetups, fellowships and events.

- Created weekly and monthly designs for various social media posts.
- Collaborated with other interns on the production of various graphic designs.
